

Seattle Art Fair Returns July 2022

After a two-year hiatus, AMP Events is pleased to announce that the 2022 Seattle Art Fair will be held July 21 - 24, 2022, returning to Lumen (formerly known as CenturyLink) Field Event Center. Since its inception in 2015, the Seattle Art Fair has earned its reputation as a one-of-a-kind destination for the best in modern and contemporary art. As a result of the COVID-19 pandemic, Seattle Art Fair was suspended in 2020 and 2021.

The Seattle Art Fair had grown to include over 100 local, national and international galleries with steadily increasing attendance and expansive programming. A co-producer of Seattle Art Fair since its beginning, AMP Events will move forward as the sole owner and producer following the sunset of Vulcan Arts + Entertainment.

"Truly a celebration of international, national and regional arts, we are thrilled that the Seattle Art Fair will be returning in 2022," said Jeffrey Wainhouse, CEO of AMP Events. "We have been honored to be part of its success and growth from the beginning."

AMP Events is a creative events firm that designs, builds, promotes and produces important cultural experiences worldwide. Since 2011, AMP Events has produced art fairs that focus on a high quality and engaging fair experience by connecting collectors with galleries in the most optimal settings. AMP's current portfolio contains five major art fairs.

"Seattle Art Fair brings together the best of the vibrant arts community with a unique Pacific Northwest twist, and we couldn't be more excited to continue the fair's remarkable legacy," said Kelly Freeman, Director of Seattle Art Fair.
